### PRAYER POINTS:

**Ukraine** - As we come to the one-year mark of this conflict, please pray for the conflict to end, and for those still displaced, affected and in need after the attacks.

**Türkiye and Syria** - As the damage unfolds, join us in lifting up the injured and all those devastated by the earthquakes, and pray that God will stir hearts to help.

Please contact us if your congregation would like to respond to these prayer requests.

Many blessings, Philip Gai
